“

War is indeed hell, and you carry that hell with you for the rest of your life.”

Through vivid storytelling, the book takes readers to the pivotal Battle of Myitkyina, where the protagonist fights alongside his fellow soldiers to reclaim Burmese territory. The novel doesn't just chronicle warfare—it explores survival, sacrifice, and the haunting memories that linger long after the final shot is fired. As the soldier revisits the

battleground years later, he is forced to confront the ghosts of his past, coming to terms with the
