

Blackwell Captive Solutions Sees Surge in Captive Interest, Promotes Scott Lydon to SVP to Lead National Expansion

CHICAGO, IL, UNITED STATES, February 25, 2025 /EINPresswire.com/ -- Blackwell Captive Solutions, a leading innovator in group medical stop loss captives, is pleased to announce the promotion of Scott Lydon to Senior Vice President, National Sales. As demand for alternative risk management solutions grows, Lydon will spearhead Blackwell's nationwide sales initiatives and oversee client management, driving the company's continued growth and commitment to delivering tailored solutions that help employers control healthcare costs.

Scott Lydon, Senior Vice President, National Sales - Blackwell Captive Solutions

Scott Lydon's exceptional leadership and proven success in cultivating strategic relationships have made a significant impact since he joined Blackwell. His promotion reflects the company's confidence in his ability to lead the sales team and enhance the client experience as Blackwell continues to grow and deliver best-in-class captive solutions.

As demand for creative and cost-effective healthcare solutions rises, I am committed to leading our sales efforts and fostering strong relationships that drive value for our clients."

Scott Lydon

Blackwell Captive Solutions has seen a surge in interest from employers seeking group stop loss captives as a solution to rising healthcare costs, high claims, and large renewal increases in traditional insurance models. Employers are turning to Blackwell for cost-effective solutions that offer greater control, transparency, financial stability, and innovation focused on bending the healthcare cost curve.

"I am honored to step into this new role at such a dynamic

time for Blackwell Captive Solutions," said Lydon. "As demand for creative and cost-effective

healthcare solutions rises, I am committed to leading our sales efforts and fostering strong relationships that drive value for our clients."

Lydon brings 22 years of experience in the health insurance industry, having worked for a major health insurer, a third-party administrator (TPA), and a value-based care company. His comprehensive industry knowledge and business acumen make him well-equipped to support brokers and clients in navigating the evolving landscape of employer-sponsored healthcare solutions. His promotion underscores Blackwell's momentum and its mission to redefine how employers manage healthcare costs, making benefits strategic, sustainable, and impactful.
