Makers and Movers 2025 provides an exclusive forum for top C-level executives to exchange insights, explore cutting-edge solutions, and refine strategies for the years ahead.

"The Makers and Movers Event has grown extraordinarily over the past few years, establishing itself as the definitive platform for supply chain leaders to exchange ideas and strategies," said [Radu Palamariu](#), Group CEO of [Alcott Global](#). "The unique format and high-caliber networking opportunities have consistently received positive feedback from past participants, making it a must-attend event for those looking to stay ahead in the industry."

This year's agenda is designed to address the most pressing challenges and opportunities facing today's supply chain leaders. The event will feature keynote speeches, panel discussions, and interactive sessions that delve into the latest trends and innovations reshaping the supply chain

landscape. Highlights include keynotes and panel discussions on the following topics:

- AI-Ready Leadership: Recruiting for a Supply Chain Revolution
- Supply Chain Today: Keys to Competitive Advantage
- Supply Chain Resilience Under Fire: Navigating Geopolitical Turbulence in 2025
- GenAI as a Team Member: Agents and Predictive Tech for a Competitive Edge
- Fast, Flexible, and Future-Ready: The Supply Chains Powering Global Brands
- Beyond the C-Suite: Crafting a Boardroom and Advisory Career

Unlike traditional conferences, Makers and Movers 2025 is designed as a highly curated, exclusive gathering for Chief Supply Chain Officers, Chief Operating Officers, and senior executives. The event will foster high-level networking, strategic discussions, and peer-to-peer learning, offering unparalleled access to the world's most influential supply chain leaders.

This event is proudly sponsored by industry leaders AlixPartners, Arvato, BlueYonder, Maersk, and o9 Solutions, whose support ensures a comprehensive and enriching experience for all attendees.
