

House of Craven ART Proudly Expands to West Palm Beach with an Opening Exhibition Scheduled for October, 2025

House of Craven ART Opening Soon! Discover New ART, Events and Auctions in Palm Beach, Florida.

PALM BEACH, FL, UNITED STATES, February 26, 2025 /EINPresswire.com/ -- House of Craven ART proudly expands to West Palm Beach with an Opening Exhibition Scheduled for October, 2025, once renovations have been completed on the newly acquired Antique Row District property, located at 3612 S. Dixie Highway, West Palm Beach, FL. ART-Market demand is all about access—if House of Craven ART can provide really great access to really transformative ART, then that works for all parties. House of Craven ART can conduct private sales, at fixed prices, which can involve other galleries and dealers. This mechanism is gradually becoming a larger part of our House of Craven Auction business, integrating private selling exhibitions and opportunities into our services. In doing so, House of Craven encourages ART specialists to engage clients in both public Auctions and Private Sales, dissolving the boundaries separating the two, while prioritizing the collector's needs. House of Craven can curate shows in Galleries to build brand awareness. The House of Craven's new West Palm Beach ART Gallery benefits from new visitors and potential collectors from around the world.

The President and ART Gallery Director, Jennifer N. Higgins, stated: "House of Craven's decision to expand was the increased Fine ART, Modern ART, Contemporary ART, and POP ART consignments from Estate and Fine Art Collectors throughout the Southeastern United States for House of Craven Auctions." She went on to add, "living in Miami has provided a wonderful opportunity to meet many Local and Emerging Artists from South Florida. It is thrilling to showcase their works in the new ART Gallery. Further, authentication is a major issue and my number one concern in the ART Market. House of Craven ART will expand using Blockchain
