

# Equator CMO 800 T Compact Combo Microwave-Oven Simplifies Cooking with Hybrid Technology

HOUSTON, TX, UNITED STATES, February 25, 2025 /EINPresswire.com/ -- The Equator CMO 800 T Compact Combo [Microwave-Oven](#) offers a versatile solution for modern kitchens, combining the functions of a microwave and an oven into a single space-saving unit. Designed for busy households, this 0.8 cu. ft. appliance allows users to cook with the 800W microwave, the 1000W oven, or a hybrid combination of both for faster and more efficient results.

The CMO 800 T includes six auto-cook options, an auto-cook timer, and an auto-weight defrost function, streamlining meal preparation. The programmable cooking, thawing, and heating features provide convenience and precision, while the included trim kit offers the option for built-in installation.

Equator CMO 800 T Compact Combo Microwave-Oven Simplifies Cooking with Hybrid Technology

"This appliance is all about making everyday cooking simpler," said Nick Matthews, Marketing Executive at Equator Advanced Appliances. "The ability to use microwave and oven functions separately or together means users can cook meals faster and more efficiently without sacrificing space."

The Equator CMO 800 T Compact Combo Microwave-Oven is available at Home Depot, Lowe's, Amazon, Walmart, and Wayfair.
