

Zion Health Introduces Aromatherapy & Clay Soap Collection for a Naturally Purified Cleanse

Zion Health, a leader in natural body care, is proud to announce the launch of its Aromatherapy & Clay Soap Collection.

SOUTH SAN FRANCISCO, CA, UNITED STATES, February 25, 2025 /EINPresswire.com/ -- Zion Health, a leader in natural body care, is proud to announce the launch of its [Aromatherapy](#) & [Clay Soap](#) Collection, a unique line of vegan, sulfate-free, and paraben-free soaps enriched with Calcium Montmorillonite Clay (Kanwa). This mineral-rich clay, revered for centuries for its detoxifying properties, gently cleanses, nourishes, and balances the skin while offering an invigorating aromatherapy experience.

Each soap in the collection is formulated with pure plant-based ingredients, including shea butter for deep hydration and coconut oil for its antibacterial and anti-inflammatory benefits. Unlike commercial soaps that often contain harsh chemicals, synthetic sulfates, and animal byproducts, Zion Health's natural clay soaps provide a gentle yet effective cleanse without stripping the skin of its natural oils.

A Soap for Every Scent Preference The Aromatherapy & Clay Soap Collection is available in a variety of captivating scents, each designed to enhance the cleansing ritual with a unique sensory experience:

Improve Your Skin with Vegan, Chemical Free, Gluten Free Natural Clay Soaps. These natural clay soaps contain revitalizing and purifying trace minerals derived from a unique type of edible clay called calcium montmorillonite.
