Galaxy 360: A Woman's Playground transports audiences to a galaxy far, far away, to the year 2195, where women rule the world, and men dream of marriage. At the center of this new world is Victor's Angels Mr. World Beauty Pageant, the galaxy's most notorious reality show, where men battle for love, success, and a shot at the ultimate prize—being chosen by powerful women.

“

Galaxy 360 is more than a film—it's an invitation to step into a world where humor and fantasy collide to challenge everything we take for granted about power, gender, and desire.”

## [THEATRICAL RELEASE BEGINS - MARCH 6 AT THE ROYAL THEATER](#)

The opening night at The Royal promises to blend cinema, fashion, and futuristic revelry. Guests are encouraged to arrive in sparkly, futuristic costumes to celebrate the film's aesthetic.

“Screening at The Laemmle Theaters in Los Angeles is a dream come true. If there's any city that

will get audiences to dress up in eye-catching, rule-breaking outfits, it's this one. Get ready, LA—this film is the new Rocky Horror Picture Show meets Barbarella with a feminist twist!" says Anna Fishbeyn, Director of Galaxy 360: A Woman's Playground and founder of Movement 360.

#### EXPANDED THEATRICAL RUN – MARCH 7–13 AT LAEMMLE GLENDALE

Following its opening at The Royal, Galaxy 360: A Woman's Playground will continue its theatrical run with additional screenings and exclusive Q&A sessions with director Anna Fishbeyn at Laemmle Glendale.

The film delves into themes of subverting expectations and self-discovery through humor, mocking societal norms in an imaginative and futuristic setting. With a mix of comedy, sci-fi, and cutting-edge fashion, Galaxy 360 is a cinematic spectacle that challenges audiences to envision a future where anything is possible. Early reviews describe Galaxy 360 as "a cult classic in the making," (New York Weekly), and "Number One Funniest Movie Right Now!" (Newstrail). George Lagogianes, the anchor at CP24's Breakfast Television, called Anna Fishbeyn's directing style as "a cross between Fellini, Woody Allen, and Saturday Night Live." Entertainment Monthly News stated that "Anna Fishbeyn's hilarious and important film will become iconic both as a comedy and as a powerful message."
