With the increasing demand for faith-based apparel, Faith Out Loud Clothing saw an opportunity to fill a gap in the market. The brand's founders, Bill and Pam Borque, noticed a lack of options for individuals who wanted to incorporate their faith into their everyday contemporary lifestyle.

“

We are excited to launch Faith Out Loud Clothing and provide a platform for individuals to express their faith through their clothing and to spread positivity and inspire others through our designs.”

*Bill Borque*

They saw this as an opportunity to create a brand that not only offers fashionable clothing but also spreads a positive message.

The online store features a variety of clothing items such as t-shirts, hoodies, hats, phone cases, and more. Each item is designed with a unique and uplifting message, making it easy for customers to share their faith with others. Faith Out Loud Clothing also offers a range of sizes to ensure that everyone can find something that fits their style and body type.

In addition to offering stylish and meaningful clothing, Faith Out Loud Clothing also donates a portion of their profits to various charities and organizations that align with their mission. This allows customers to not only support a small business but also make a positive impact in the world.

Faith Out Loud Clothing is now live and ready to serve our customers.
