

# Glasswing: The Invisible Force Behind Program Excellence, Launched by Care Solutions, Inc.

*Care Solutions, Inc., a leader in program management solutions, launches Glasswing, a platform to streamline program delivery in the public and private sectors.*

ATLANTA, GA, UNITED STATES, February 27, 2025 /EINPresswire.com/ -- Care Solutions, Inc. (CSI), a leader in [program management](#) solutions, proudly announces the launch of [Glasswing](#), its proprietary platform designed to streamline program delivery, inspire potential, and redefine efficiency in the public and private sectors.

It was purpose-built to inspire potential, simplify complexity, and deliver innovative solutions for even the most intricate programs.”

*Carla Rogg, Chief Executive Officer at Care Solutions, Inc.*

Glasswing is a cutting-edge solution tailored to meet the complex demands of modern program management. Managing the full cycle of a competitive bid process from release to award or eligibility determination to [payment distribution](#) and more, Glasswing offers a seamless, transparent approach to program delivery, enabling organizations to focus on impact rather than administration.

“Glasswing is more than a platform—it’s a partner in success,” said Carla Rogg, Chief Executive Officer at Care Solutions, Inc. “It was purpose-built to inspire potential, simplify complexity, and deliver innovative solutions for even the most intricate programs.”

## Empowering Programs Through Ingenuity and Transparency

Glasswing combines the strength and adaptability of its namesake, the glasswing butterfly, to deliver transformative results. Key features of the platform include:

□ Customizable Architecture: Glasswing evolves with program needs, integrating seamlessly with existing systems and scaling effortlessly as programs grow.

□ Compliance and Security: With robust data encryption and workflows aligned to government standards, Glasswing ensures maximum security and regulatory compliance.

□ Efficiency Redefined: By streamlining processes like eligibility determination, advanced reporting, and payment distribution, Glasswing saves time and reduces errors.

□ Real-Time Analytics: Gain insights into program performance with powerful tracking and reporting tools designed to adapt to any requirement.

“Glasswing was designed to address the unique challenges faced by our clients,” added Alex Redovian, Chief Technology Officer. “It’s more than just software; it’s a strategic solution built to inspire potential and drive success.”

### Tailored Solutions for Complex Programs

Care Solutions, Inc. has decades of expertise managing government and large-scale programs. Glasswing’s proprietary design reflects CSI’s commitment to excellence, offering unmatched precision, flexibility, and impact. Whether managing complex eligibility criteria, ensuring compliance, or distributing payments, Glasswing delivers seamless solutions to empower programs of any size.

“Imagine a platform that evolves with your needs,” said Bailey Rogg. “Glasswing is that platform—a solution that blends creativity, strength, and transparency to redefine how programs operate.”

### About Care Solutions, Inc.

Care Solutions, Inc. was founded to provide innovative, customized solutions for program management. With its proprietary Glasswing platform, CSI empowers organizations to achieve results with greater efficiency, transparency, and impact.
