

Discover the Hero Within in Alessandra Evans' Superhero Super-Wheels

CAMBERLEY, UNITED KINGDOM, February 27, 2025 /EINPresswire.com/ -- First-time author Alessandra Evans sends young readers on an extraordinary journey with Superhero Super-Wheels, a bright and empowering story that redefines what it means to be a hero. A mix of action, heart, and humor in this book is sure to inspire children everywhere and spark imagination.

This story is my way of showing children that their differences make them special and that kindness and courage are what make a true superhero."

According to Alessandra

Seren is a young girl whose wheelchair is her greatest asset or rather a pair of magical "super wheels" which helps her conquer such bold adventures as saving a dog in the sea or stopping avalanches. Seren displays that real heroism is about courage, kindness, and determination.

Superhero Super-Wheels helps children adopt their uniqueness of strength by providing fun-filled adventures

of rhyme, exciting escapades, celebration of diversity, and resilience. These adventures prove power within differently abled children and give readers a new superhero to admire.

Perfect for storytime, the book has a lively rhythm and bright, colorful illustrations to bring Seren's world alive, while the universal themes of teamwork, problem-solving, and perseverance make this a timeless read for families and educators alike.

Superhero Super-Wheels leaves an innocent question in the reader's mind: "What do you think Seren will do next week?" As the book encourages children to imagine their own adventures, it never leaves your heart.

About the Author

Alessandra Evans is a storyteller, and a mother of two little children and 2 big dogs. She loves creating tales that inspire children to see the world and themselves through a lens of positivity and possibility.

When not writing, Alessandra also shares the experiences of parenting and poetry on her Instagram account @chapters_of_motherhood. Her first publication, [Superhero Super Wheels](#), is part of an exciting series which includes All Aboard a Spaceship and Spider Specs.
