powered compliance and credential management platform, has been selected to participate in the [AONL Nurse Innovators Showcase](#) at the 2025 AONL Conference in Boston. This prestigious event, hosted by the American Organization for Nursing Leadership (AONL), highlights groundbreaking innovations transforming healthcare and nursing leadership.

Set to take place from March 30 to April 2, 2025, at the Boston Convention & Exhibition Center, the AONL Nurse Innovators Showcase provides a national stage for CerTracker to present its first-of-its-kind OCR and AI-

powered Digital Wallet—a solution designed to streamline credential management, enhance workforce compliance, and improve efficiency for nurses and healthcare organizations.

## Driving Nursing Innovation & Workforce Efficiency

As hospitals and healthcare systems face increasing compliance demands and workforce shortages, CerTracker is revolutionizing how nurses and healthcare organizations manage credentials, continuing education, and regulatory compliance. Through advanced AI automation, real-time tracking, and seamless integrations with HR systems, CerTracker reduces administrative burdens, ensures compliance, and enhances workforce readiness.

“Nurses and healthcare leaders are constantly navigating evolving compliance requirements and workforce challenges,” said Devin Patterson, Co-Founder & COO of CerTracker. “Being selected for the AONL Nurse Innovators Showcase is an incredible honor and a testament to the urgent need for technology-driven compliance solutions that support and empower the nursing workforce.”

## What This Means for CerTracker

As a featured participant in the AONL Nurse Innovators Showcase, CerTracker will:

- Present its AI-powered compliance platform on stage to top nursing leaders and decision-makers.
- Engage with healthcare executives to discuss strategic partnerships and implementation opportunities.
- Showcase its first-of-its-kind Digital Wallet, enabling nurses to seamlessly store, track, and share credentials or sync with their healthcare organization if already on CerTracker.
- Connect with key stakeholders shaping the future of nursing workforce development and compliance technology.

Simplifying Compliance Management

## About CerTracker

CerTracker is a cutting-edge AI-powered compliance and credentialing platform designed to automate regulatory tracking, simplify credential management, and enhance workforce readiness for healthcare organizations. Its [OCR & AI-powered Digital Wallet](#) allows nurses and healthcare professionals to seamlessly manage, track, and share their credentials while ensuring real-time compliance. Through automation, real-time compliance monitoring, and digital credentialing, CerTracker reduces administrative burdens and strengthens workforce efficiency.

## About AONL

The American Organization for Nursing Leadership (AONL) is a national leader shaping healthcare through nursing innovation and leadership. Focusing on transforming care delivery, advancing leadership development, and supporting innovation, AONL equips nursing leaders with the resources, networks, and knowledge to drive excellence in patient care. The AONL Nurse Innovators Showcase highlights cutting-edge solutions that enhance the future of nursing and healthcare management.
