

HeadSpin Launches 'CloudTest Go': Essential Testing for Digital Enterprises

HeadSpin introduces CloudTest Go, a flexible, budget-friendly cloud-testing solution with real-device access for businesses.

RIVERSIDE, CA, UNITED STATES, March 4, 2025 /EINPresswire.com/ -- HeadSpin, the leading AI-driven software testing platform, has recently launched a unique product—CloudTest Go—a reliable, cloud-based app testing solution designed for the digital business and enterprise organization with instant access to [real device testing](#) on smartphones, tablets, desktops, as well as OTT Media devices.

Introducing CloudTest Go: A Flexible, Affordable Testing Solution

CloudTest Go empowers organizations to test earlier, more often, and at a greater scale with the data and insights needed to make decisions with confidence.

“

With CloudTest Go, we're making reliable testing more accessible, transparent, and affordable, giving businesses the flexibility and a trusted testing solution.”

Eric Hatton, CEO at HeadSpin

The platform offers flexible pre-buy subscriptions – annual, monthly, and hourly – ensuring that businesses can optimize their testing execution anytime from anywhere.

Key Features of CloudTest Go:

- Flexible Subscription Plans – Monthly, hourly, or annual options.
- Manual & [Automated Testing](#) – Supports 60+ frameworks for CI/CD integration.
- Self-Service Dashboards – Intuitive UI with Grafana-

powered insights.

- Omnichannel Test & Performance KPIs – AI-powered issue detection & recommendations.
- Secure & Scalable – Instant access, automated cleaning, and session recording.

HeadSpin's CloudTest Go is available now. Get started for just \$125+ per month.
