

Interstate Advanced Materials Seattle Delivers Solutions to Drive Growth in Key Washington Industries

Interstate Advanced Materials Seattle proudly supports businesses across Washington by providing tailored material solutions for many applications.

SEATTLE, WA, UNITED STATES, March 4, 2025 /EINPresswire.com/ -- [Interstate Advanced Materials](#), a premier distributor of plastics, composite materials, tools, and care products, proudly supports businesses across Washington through its Seattle location. The company provides reliable material solutions tailored to various commercial and industrial applications.

Founded in 1980 as Interstate Plastics, the company began in Sacramento with a mission to help local businesses grow. To better serve the Northwest region, it expanded with a Seattle location in 2000. In 2022, the company rebranded as Interstate Advanced Materials, reinforcing its commitment to cutting-edge material solutions and expanding services such as CNC machining, fabrication, cut-to-size options, custom parts, routing, and more.

[Interstate Advanced Materials Seattle](#) is a key partner for Washington's industrial marine, food processing, agriculture, aerospace, and manufacturing sectors. Through fast shipping and [wholesale pricing plans](#), Interstate Advanced Materials Seattle ensures dependable, specialized solutions for every business.

Driven by its mission to be the most trusted advanced materials distributor, the company's Seattle team brings over 100 years of collective experience in plastics. They embody the core values of integrity, curiosity, passion, continuous improvement, and responsiveness, delivering expert guidance and personalized support that empower Washington businesses to achieve

Interstate Advanced Materials Seattle supports Washington's industrial marine, food processing, agriculture, aerospace, and manufacturing sectors with dependable and specialized material solutions, fast shipping, and wholesale pricing plans.

Building trust with the local community is the core mission of Interstate Advanced Materials Seattle.”

Stephanie Keller, Seattle Solution Center Manager

lasting success.
