

# Toronto Barber Launches Global Online Training - Now teaching 700+ Worldwide

*LearnToCut.com is revolutionizing barber education, helping barbers worldwide refine their craft and grow their businesses through expert-led online training.*

TORONTO, ONTARIO, CANADA, April 2, 2025 /EINPresswire.com/ -- A Toronto-based barber is making waves in the global hair industry with the expansion of [LearnToCut.com](https://www.LearnToCut.com), an [online barber training platform](https://www.LearnToCut.com) that has now reached over 700 students worldwide.

“

I wanted to make high-quality education accessible to barbers anywhere in the world, whether they're just starting out or looking to take their skills to the next level.”

*Alexi Michael, founder of  
Learn To Cut*

Founded by [Alexi Michael](#), LearnToCut was created to provide aspiring and professional barbers with the skills, techniques, and business strategies needed to succeed in an increasingly competitive industry. Unlike traditional barber academies, which often come with high costs and rigid schedules, this advanced barbering course offers flexible, expert-led training that students can access from anywhere in the world. Bridging the Gap Between Skill and Business Success for Barbers

The barber profession has evolved far beyond technical skills. Today, barbers need strong branding, a strong social media presence, and sound business knowledge to attract high-paying clients, retain them, and grow their income. LearnToCut goes beyond basic hair-cutting tutorials, offering in-depth courses that teach not only advanced techniques, but also strategies for client retention, pricing, and long-term brand building.

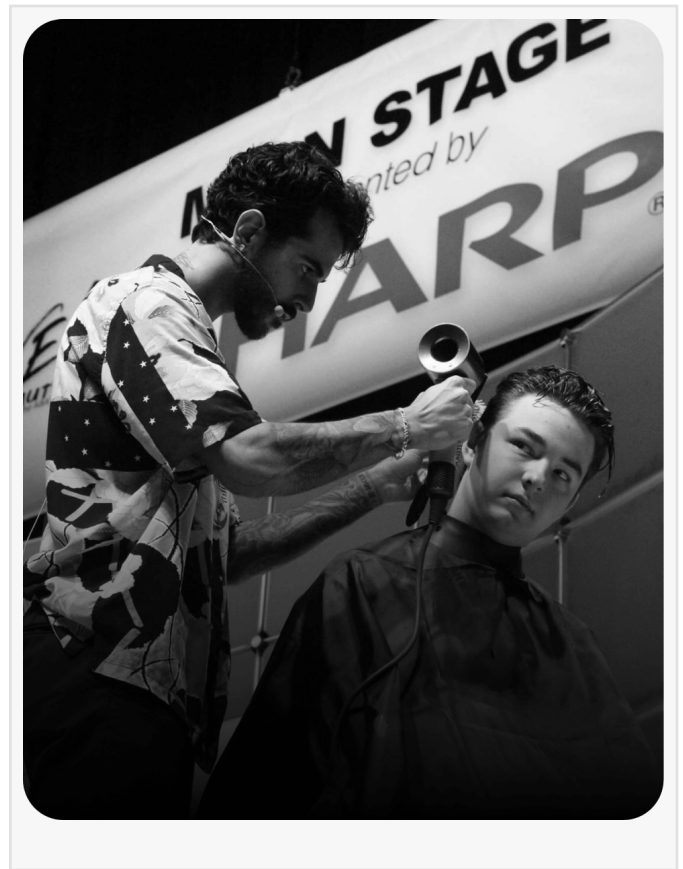

“In today's world, barbering is equal parts hustle, heart, and high-level skills—it's a real career path, not just a job.” says Alexi Michael, Founder of LearnToCut.com.

Their barber community is always growing with students now enrolling from across North America, Europe, Asia, and beyond, LearnToCut.com has become a go-to resource for barbers

seeking a modern, practical approach to their education. The platform includes:

- Step-by-step tutorials on precision fades, advanced texturizing, and seamless tapers
- Lessons on mastering mens haircuts using fade clippers, barber shears (and learning so many other tools needed to excel as a barber)
- Business training on pricing services, increasing client retention, scaling a barbering business, and going from renting a chair, to renting them out
- Brand-building strategies to help barbers attract more clients through social media and so on
- Exclusive insights from industry professionals who have built successful careers and now want to help others

Whether you're just learning how to do fades or figuring out how to move up as a barber, LearnToCut.com is designed to give you the tools to not just survive, but thrive, in your career.

Their shaping the future of barbering education with continuous updates, new lessons, and insights from top professionals, LearnToCut is committed to helping barbers stay ahead of industry trends and build long-term, sustainable careers in the barber profession.

“We’re building a community of skilled, business-savvy barbers who can charge what they’re worth and create real success in this industry.” says Alexi Michael.

As the barbering world continues to grow and evolve, LearnToCut is paving the way for a new era of education—one that puts barbers in control of their learning, their skills, and their income.
