ATV Adventures Offroad to the Grand Canyon

“

There is nothing like riding off-road across the valley to the edge of the Grand Canyon”

Jason Nelson

Participants traverse challenging trails in state-of-the-art Can-Am Mavericks, covering extensive off-road distances that culminate at the renowned Bar 10 Ranch. This working cattle ranch provides authentic Western hospitality, where guests can engage in activities such as horseback riding and skeet shooting. The adventure reaches its pinnacle with an exclusive visit to the secluded North Rim, far removed from the typical tourist paths.

“There is nothing like riding across the valley to the edge of the Grand Canyon,” says ATV Offroad Adventures founder Jason Nelson. “No paved parking lots, no tourists—it’s just you on the edge of one of the most spectacular spots on earth.”

The Reject Average Travel and Adventure Club highlighted this unique experience, stating, "This off-road expedition offers our members an extraordinary way to connect with the Grand Canyon's raw beauty, making it a standout in this year's top adventures."
