

Louisiana Mesothelioma Victims Center Urges the Loved Ones of a Shipyard Worker or Maritime Worker with Mesothelioma or Lung Cancer in Louisiana to Call the Gori Law Firm About Financial Compensation

NEW ORLEANS, LA, UNITED STATES, March 6, 2025 /EINPresswire.com/ -- The Louisiana Mesothelioma Victims Center is urging the loved ones of a former shipyard or maritime worker who has just been diagnosed with mesothelioma or lung cancer to please call the Gori Law Firm at 866-532-2106 to discuss financial compensation. Unlike most internet mesothelioma law firms, the Gori Law Firm has an office in New Orleans. The lawyers at the Gori Law Firm are responsible for some of the largest client compensation settlements for individuals with mesothelioma and lung cancer in the nation and this remarkable team works overtime for their clients.

The group says, "The reason we mention former shipyard or maritime workers in Louisiana when it comes to developing mesothelioma or asbestos exposure lung cancer is because we know these types of people would have had routine exposure to asbestos if they were working before the mid-1980s. There are dozens and dozens of shipyards in Louisiana and thousands of maritime workers in the state and it has been this way for generations and for many of them asbestos exposure was a way of life if they were working before the mid-1980s.

"If your loved one is a former shipyard worker or maritime worker anywhere in Louisiana and they now have mesothelioma or lung cancer please call the Gori Law Firm at 866-532-2106 to

discuss compensation. When it comes to representing people with mesothelioma or asbestos exposure lung cancer in Louisiana the Gori Law Firm has no equal." www.gorilaw.com
