looking for a modern kitchen reno or a spa-like bathroom remodel, Lumina works closely with clients to design and build spaces that reflect their tastes

For those looking for kitchen remodel or bathroom remodel contractors in NYC, Lumina Construction handles everything from initial concept and material selection to final touches, all at the approval of the client. Their experienced team excels at renovating all types of

bathrooms, whether it's a small upgrade or a complete bathroom renovation overhaul. As one of the area's most promising bath remodeling companies, Lumina brings expertise to every aspect of the renovation process, ensuring every project balances style, usability, and budget.

Experts in Basement and Garage Remodeling

Beyond kitchens and bathrooms, Lumina Construction helps homeowners reinvent underutilized spaces through expert basement remodel and garage remodel services. Whether creating a new family room, guest suite, home office, or personal gym, Lumina transforms unfinished or outdated garage bays into stylish, functional extensions.

For families looking to expand, Lumina also specializes in home additions, providing seamless construction that blends perfectly with the existing home, offering more space for growing households.

Outdoor Spaces and Structural Construction

Outdoor living is just as important as that of indoor, which is why Lumina Construction's deck builders and fence builders create beautiful, durable outdoor spaces that enhance both privacy and curb appeal. Whether it's a custom deck for entertaining or a sturdy, stylish fence for added security, Lumina brings its clients' outdoor concepts to life.

Lumina also offers expert retaining wall contractor services to ensure that landscapes are both attractive and structurally strong. Properly designed retaining walls not only prevent erosion but also add definition and value to the property's outdoor space.

Inside the home, Lumina's staircase remodel services update and enhance stairways, transforming them into striking architectural features that boost both its safety and aesthetics. From classic wood to contemporary glass or metal, Lumina ensures each staircase complements the home's overall aesthetic.
