SYDNEY, NSW, AUSTRALIA, March 2, 2025 /EINPresswire.com/ -- The team at [Blog Chicks Online Lifestyle Magazine](#) have been extremely impressed with Sydney based [Premade](#)

[Living](#) that supply and install across New South Wales moduler homes that are growing in popularity. Their prefabricated homes are designed, engineered and assembled in Australia by Inline Building & Construction Management Services, to the highest of standards. Inline Building is a licensed builder (Builders licence no: 196494C) and has over 30 years of construction experience in Australia. They are one of the early featured companies Blog Chicks online Magazine feature later this month.

Premade Living work closely with their design team to ensure passive solar gains, natural ventilation, to ensure energy efficiencies are achieved. Their modules are designed to allow components to be unbolted, disassembled, altered, relocated, and most importantly additional modules to be added in the future. Each can be custom designed to suit the client's needs as well as the site needs. the prefabricated approach allows for 95% of works to be carried out off site, reducing labour costs and material costs. Homes are delivered and ready to live in within 12 weeks of signing a purchase contract.
