

Solifi releases 2025 edition of the Global Leasing Report

Developed in conjunction with the World Leasing Yearbook, the 2025 report provides in-depth insights into the world's top 50 leasing markets.

MINNEAPOLIS, MN, UNITED STATES,
March 3, 2025 /EINPresswire.com/ --
[Solifi](#), a global fintech software partner

for secured finance, announced the launch of the 2025 Global Leasing Report. Covering the trends, economic projections and insights into the top 50 leasing markets worldwide, the 19th edition of the report, the result of a partnership between Solifi and World Leasing Yearbook, is available to download free of charge.

The Global Leasing Report highlights the industry has grown an encouraging 76% in the last decade, with new business volume increasing by 5.7% in 2023. Despite disruptions to supply chains due to the Covid pandemic, geopolitical conflicts, and extreme weather, the global economy has remained resilient, avoiding a global recession.

"As an essential resource within the industry for decades, it is an honor to partner with World Leasing Yearbook to produce the Global Leasing Report," says Dan Corazzi, CEO at Solifi. "The unique research shared in the report offers invaluable insights to leasing companies seeking to deepen their understanding of the market. Seeing such strong growth in the industry, despite significant challenges, is truly impressive."

Visit the Solifi website to [download your free copy](#) of the 2025 Global Leasing Report.

About the Global Leasing Report

The Solifi Global Leasing Report – part of the World Leasing Yearbook – features data on international leasing volume and growth by region, market penetration, GDP penetration ratios, and market shares, as well as a unique ranking of the top 50 leasing markets by size.

About the World Leasing Yearbook

This report is an extract from the 324-page World Leasing Yearbook. To obtain the full report,

you can purchase the World Leasing Yearbook 2025 in digital or hardback formats at www.world-leasing-yearbook.com.
