

Leaders in Supply Chain Podcast Unveils Exclusive Career Report and Exciting Updates for 2025 Season

The Leaders in Supply Chain Podcast, a leading platform for global industry insights and thought leadership, is announcing the release of its Career Report

ZURICH, SWITZERLAND, March 4, 2025

/EINPresswire.com/ -- [The Leaders in](#)

[Supply Chain Podcast](#), a leading

platform for global industry insights

and thought leadership, is proud to

announce the release of its exclusive

Career Report, featuring invaluable

lessons and trends drawn from top executives and thought leaders who joined the show in the

past 12 months. This report provides key takeaways on the value of supply chain, career growth,

leadership strategies, and qualities that foster resilience and innovation in supply chain,

championing digital transformation and fluency, based on interviews with distinguished guests

from the past season.

“

Each episode is a deep dive into the minds of industry leaders, uncovering the strategies, challenges, and innovations shaping global supply chains”

*Radu Palamariu, Group CEO,
Alcott Global*

As the podcast grows, we are thrilled to introduce Season

2, which debuted with episode 201 on February 13, 2025.

The Leaders in Supply Chain and Logistics Podcast is

hosted by a distinguished team of industry experts from

Alcott Global.

[Radu Palamariu](#), a leading voice in the industry, is the author of the bestselling book *From Source to Sold*. His insights have been featured in Bloomberg, Bangkok Post,

and MIT Supply Chain Talent Magazine, and his latest articles have been published in Forbes, The CEO Magazine, the World Economic Forum, Supply Chain Management Review, and McKinsey.

“Each episode is a deep dive into the minds of industry leaders, uncovering the strategies,

challenges, and innovations shaping global supply chains. This year, as we expand our content and introduce more dynamic formats, our mission remains the same—to connect our audience with the brightest minds, spark meaningful conversations, and help shape the future of supply chain leadership." – says Radu Palamariu, Group CEO, Alcott Global.

With over 200 published episodes, the Leaders in Supply Chain and Logistics Podcast is a premier platform for industry knowledge and professional growth. Reaching an audience of 250,000+ social media impressions per episode and 1 million listeners in 2024, it continues to be a powerful source of insights for supply chain professionals worldwide.

The podcast caters to a broad audience, from entry-level professionals and students to board members and C-suite executives, offering valuable perspectives on end-to-end supply chain management—spanning procurement, manufacturing, distribution, and e-commerce.

Past guests include Vikram Agarwal (COO, Danone), Karen-Marie Katholm (CISO and Executive Committee Member, AkzoNobel), Donato Giorgio (President Global Supply Chain, Essity), Mourad Tamoud (CSCO, Schneider Electric), Meri Stevens (CSCO, Kenvue), Keith Svendsen (CEO, APM Terminals), Dave Wheeler (COO, New Balance), Joe Foster (Founder, Reebok), Guy Kawasaki (Author), and many more.

For professionals eager to stay ahead in the evolving supply chain landscape, this upcoming season promises to be our most insightful yet.
