(<http://www.racheldeelynn.com/>) has garnered two number ones in two weeks at the top of two charts with her seismic new single, "CAN YOU HEAR ME NOW?" — a high-energy, anthemic track that's as defiant as it is empowering. DeeLynn's worldwide hit soared to number one two weeks ago on the World Indie Music Top 100 charts and stayed at number one through last week. This week, CAN YOU HEAR ME NOW? is at number one on the Euro Indie Network Top 100 charts.

Her single is currently playing everywhere on satellite radio, terrestrial FM radio, Internet radio and radio networks worldwide; including airplay on KIIS 102.7 FM in Los Angeles to Radio Sydney in Australia to BBC 6 Radio in London UK (over 7 million listeners).

Known for her commanding vocals and unapologetically tell-all songwriting, DeeLynn's latest release scorches its way through the modern music scene, demanding not just to be heard, but to be understood.

In this explosive track, DeeLynn delivers a raw, gritty vocal performance with unique emphasis and inflection in each line. With powerful, infectious guitar riffs, driving drums, and a chorus that hits like a shot of adrenaline, "CAN YOU HEAR ME NOW?" is a call to arms for anyone who's ever
