

Arizona Partnership Formed to Support Public Safety

PHOENIX, AZ, UNITED STATES, March 4, 2025 /EINPresswire.com/ -- Metal theft continues to pose a significant threat to infrastructure, services, and public safety. In response, [End Metal Theft](#) and [Lighting Unlimited](#) are proud to have formed a partnership to support Public Safety in the State of Arizona.

The alliance has been strengthened to be more active with the recent award of the Arizona State Contract for lighting to Lighting Unlimited (Contract #CTR074552). The agencies served include the State's largest municipalities and consideration is being made by State Agencies as well.

Key Offerings include four models of In-Ground J Box's and X models of tamper proof hand hole covers for light poles.

All models provide:

- o Proprietary locking mechanisms, verified through extensive testing, offer multiple layers of security.
- o Tamper-resistant bolts, keyed uniquely for each customer, ensure maximum protection.
