OnelsAll, the leading brand in smart pet products known for its innovative at-home grooming tools, smart feeders and smart water fountains proudly participated in the [Humane Society of Charlotte's Pet Palooza 2025](#) this past Saturday, April 12, helping raise critical funds for animals in need.

Held at American Legion Memorial Stadium, Pet Palooza brought together over 500 pets and people for a vibrant day of community, compassion, and four-legged fun. Oneisall was among 57 vendors present at the event and contributed a generous \$5,000 donation to support the Humane Society's lifesaving programs.

This year's event raised over \$114,000 in total, with more than 300 participants joining the signature pet walk with more than 500 pets and people that attended the event. The funds will go directly toward the Humane Society of Charlotte's efforts in adoption, education, spay/neuter services, and outreach.

"Oneisall is honored to have been part of such a meaningful and energetic event," said Helen Wang, Chief Marketing Officer of OnelsAll Global. "It was inspiring to see the community come together to support the welfare of animals, and we're proud to contribute to a cause that aligns so closely with our mission — to make every pet feel safe, cared for, and loved."

At their booth, OnelsAll offered live grooming demonstrations, a pet hydration station with their smart water fountains, exclusive giveaways, and a display of their best-selling grooming tools designed to make at-home pet care easy and stress-free.
