Swab-its®

Swab-its® by Super Brush LLC

Our innovative foam swabs are engineered to meet the diverse needs of today's market. Designed with precision and quality in mind, these foam swabs offer optimal performance for a wide range of applications, including:

“

Our foam swabs are crafted to deliver superior performance across various industries”

Michael Lecrenski, Marketing Manager of Swab-its

- Auto Care: Ideal for detailing vehicles with delicate surfaces and cleaning hard-to-reach places
- Crafts and Hobby: Excellent for precise cleaning and application in creative projects
- Pet Care: Gentle yet effective for pet grooming and accessory maintenance
- Firearms: Ensuring meticulous cleaning without damaging sensitive components
- Households: A versatile solution for everyday cleaning

tasks

- Electronics: Safe and efficient for cleaning intricate electronic devices

In addition to showcasing our product line, Super Brush/Swab-its will have samples available at the table, giving attendees the opportunity to try our foam swabs firsthand. Our team will also be taking orders directly at the show, making it easy for industry professionals, retailers, and consumers to secure our innovative cleaning solutions.

Swab-its New Retail Cleaning Kits: Craft and Hobby, Cosmetic, Printer Cleaning, Household, Auto Detailing, Pet Swabs

“Our foam swabs are crafted to deliver superior performance across various industries,” said Michael Lecrenski, Marketing Manager for Super Brush/Swab-its. “At the National Hardware Show, we’re excited to showcase our commitment to quality and innovation. We invite industry professionals, retailers, and consumers alike to explore how our products can enhance maintenance and cleaning routines in their specific fields.”

The National Hardware Show is a premier event that brings together leading professionals and innovators in the hardware industry. Super Brush/Swab-its’ participation underscores our dedication to advancing industry standards and delivering products that combine functionality with cutting-edge design.
