

SafeSite USA Unveils Exclusive Access Control Showroom and Innovation Lab in New Jersey

NEW YORK, NY, UNITED STATES, March 3, 2025 /EINPresswire.com/ -- SafeSite USA, a leader in construction and access control solutions, is proud to announce the grand opening of its cutting-edge showroom and testing lab, located just outside of New York City in New Jersey. As the only turnstile company to offer a hands-on showroom experience, SafeSite USA is setting a new standard in customer engagement and product integration.

The showroom provides an unparalleled opportunity for customers to explore and interact with SafeSite USA's diverse range of access control solutions, including the flagship Fort Knox Industrial Turnstiles and the reliable Due Diligence Turnstiles. Visitors can also experience interior solutions like The Registrar and The Registrar with Video, as well as advanced parking systems and other innovative products.

"This showroom is more than just a display space," said Joe Covello, Owner at SafeSite USA. "It serves as our innovation lab, where we test and refine our solutions while collaborating with customers to ensure seamless integration. Customers can touch, feel, and fully understand the hardware and software before making a commitment, a unique offering in the access control industry."

“

Where there is no vision, the people perish”
