

Dr. Christina Rahm selected for The Empowered Woman Award by IAOTP

Dr. Christina Rahm will be honored at IAOTP's annual awards gala in Las Vegas

NEW YORK, NY, UNITED STATES, March 3, 2025 /EINPresswire.com/ -- Dr. Christina Rahm, humanitarian, global entrepreneur, patented scientist, and author, was recently selected for The Empowered Woman Award by the International Association of Top Professionals (IAOTP) for her outstanding leadership, dedication, and commitment to the industry.

Inclusion with the International Association of Top Professionals is an honor in itself; only a few women are chosen for this distinction based on their professional accomplishments, academic achievements, leadership abilities, longevity in the field, other affiliations, and contributions to their communities. These women empower others with innovation and compassion to reach

their goals while creating change for future generations. Dr. Christina Rahm will be honored for this distinction at IAOTP's 2025 Annual Awards Gala.

With close to two decades of experience in the industry, Dr. Rahm has certainly proven herself as an expert in her field. As a dynamic, results driven leader, Dr. Rahm is the Founder and CEO of DRC Ventures and Chief Science Formulator at The ROOT Brands. She has formulated for numerous companies and labs, including her own, creating 18 patents (4 approved), proprietary formulas, and trade secrets. Dr. Rahm has authored seven books, including her "Cure the Causes" book series and her newest book on Military Science. She has also launched Ella Pure skincare, Merci Dupre Clothiers sustainable fashion, and Rahm Roast, a clean coffee brand. She currently conducts lectures and speeches worldwide in the nutraceutical field, including at the Vatican. She also hosts three podcasts, sharing her knowledge on science, fashion, and lifestyle.

Before embarking on her career path, Dr Rahm earned a Master's in Science, and Doctorates of Counseling and Psychology, as well as numerous post-doctorate and postgraduate program work in Nanotechnology, Pharmaceutical Management, Nutrition, Education, Psychology, and Philosophy.

Throughout her illustrious career, Dr. Rahm has received many awards and accolades and has been recognized worldwide for her accomplishments. Last year, she was awarded Top Patented Scientist of the Year by IAOTP. This year she will be considered for a feature in TIP (Top Industry Professionals) Magazine. She will be honored at IAOTP's annual awards gala at the Bellagio Hotel in Las Vegas this December for her selections of Top Patented Scientist of the Decade and for The Empowered Woman Award.

In addition to her successful career, Dr. Rahm is deeply involved in philanthropy, notably through The Rahm Foundation, which she founded to partner with other non-profits to change the world. Their unwavering belief is in the relentless pursuit of a more equitable world. As a charitable powerhouse, their dedication knows no bounds, encompassing the welfare of humanity, our fellow creatures, and the very environment we cherish. Since its establishment in 2007, they have harnessed a resolute commitment to being the catalyst for change.

The President of the International Association of Top Professionals (IAOTP), Stephanie Cirmi, stated: "Choosing Dr. Rahm for this honor was an easy decision for our panel to make. She is inspirational, influential, and a true visionary and thought leader. We cannot wait to see her and celebrate her accomplishments at this year's gala."

Looking back, Dr. Rahm attributes her success to her perseverance, work ethic, and the mentors she has had along the way. She believes that her failures have taught her more than her successes, positioning her perfectly to help others. Her mission is to help people build healthy environments and meaningful lives by eliminating negative influences. When not working, she enjoys traveling and spending time with her family. In the future, she hopes to inspire and influence those getting into the field.
