Reflecting on 5 Years of Growth

“

We are incredibly proud of how far we've come in just five years. This milestone is a testament to the hard work of our team and the trust of our clients.”

Rock Katnic

Perfect Moving & Storage began with a vision to redefine the moving experience, focusing on reliability and customer satisfaction. In its first year, the company completed over 2,000 moves, and by 2024, that number had grown to over 15,000 annual moves. Along the way, the company expanded its offerings, adding storage services in 2021 and plastic moving bins rental in 2023 to provide comprehensive solutions for its clients.

Customer satisfaction has been a cornerstone of the company's success. Perfect Moving & Storage has maintained an impressive 4.9-star rating since 2022 and achieved a perfect 5.0-star average rating in January 2025, cementing its reputation as NYC's highest-rated moving company.

“We are incredibly proud of how far we’ve come in just five years,” said Rock Katnic, President of Perfect Moving & Storage. “This milestone is a testament to the hard work of our team and the trust of our clients. Every move we handle reflects our commitment to excellence, and we’re excited to continue growing and innovating.”

A Look Ahead: Expanding Beyond NYC

Building on its success in New York City, Perfect Moving & Storage is now preparing to expand its services to the broader tri-state area. This growth will allow the company to bring its customer-first approach and expertise to even more communities, helping individuals and businesses navigate relocations with ease.
