PORT ST. LUCIE, FL, UNITED STATES, March 4, 2025 /EINPresswire.com/ -- GreenPointe Developers, LLC is pleased to announce the official opening of the new amenity center at [Bristol at Wylder](#). Located in Port St. Lucie, west of I-95 between Midway and Glades Cut-Off Road, Bristol is the inaugural neighborhood within the master-planned community of Wylder. As families continue to move into Bristol, completing this resident-exclusive facility represents a key milestone for the community.

The new amenity center officially opened on February 20th after a ribbon-cutting ceremony. The event included live music, face painting, food trucks, bounce houses, and a mobile bar operated by a Bristol resident. The first resident of Bristol had the honor of cutting the ribbon before everyone was welcomed to tour and enjoy the new offerings.

amenity center,” said Taylor. “This center was designed to be a vibrant space where neighbors can gather and enjoy a diverse range of activities, all while staying connected to Florida’s natural beauty.”

Reserved exclusively for Bristol at Wylder residents and their guests, the new amenity center encompasses four acres. Key features include a resort-style pool with a sloping beach entry, a playground with brightly colored equipment and swings, and an off-leash dog park with separate areas for large and small dogs. Additional amenities include two pickleball courts and multi-purpose sports fields, while the lake overlook provides a relaxing spot for birdwatching, including roseate spoonbills and blue herons.

Some of Bristol's youngest residents pose at their new beach-entry pool, donning matching face paint and sweaters.

Bristol at Wylder is a neighborhood of single-family homes within the master-planned Wylder community. Builders Lennar and Meritage Homes offer 15 floorplan options, with homes starting in the mid-\$300,000s.

Wylder has plans for several other neighborhoods within its 1,970 acres. K. Hovnanian’s Four Seasons at Wylder has begun selling its new homes starting in the \$300,000s. This gated active-adult community features nine ranch-style single-family home designs and one villa design, along with a range of amenities for a resort-style living experience.
