

OnePlan Wins 2025 G2 Best Software Award for Project Management Excellence

OnePlan is proud to announce it has been named a winner in the 2025 G2 Best Software Awards in the Best Project Management Software Products category.

SAN MARCOS, CA, UNITED STATES, March 5, 2025 /EINPresswire.com/ -- OnePlan , a leading provider of AI-powered Strategic Portfolio and Work Management software, is proud to announce it has been named a winner in the 2025 G2 Best Software Awards in the [Best Project Management Software Products](#) category.

The image shows a G2 award banner for OnePlan. On the left, a blue background features a white '1' in a circle and the text: "OnePlan is a G2 Best Software Awards Winner! Best Project Management Software Products". On the right, a screenshot of the OnePlan software interface is shown, displaying a G2 award badge and a Gantt chart with various colored bars representing project tasks. Below the banner, the text reads: "OnePlan Earns Spot on G2's 2025 Best Software Awards".

The G2 Best Software Awards are among the most respected industry accolades, reflecting authentic customer feedback from verified users worldwide. These awards are rooted in real user experiences, highlighting products that consistently deliver exceptional value and performance.

“

This G2 award is especially meaningful because it's based on genuine customer feedback. It validates our commitment to helping organizations make smarter decisions and deliver impactful results.”

Joe Larscheid, CEO

“At OnePlan, everything we do centers around our customers' success,” said Joe Larscheid, CEO, OnePlan Solutions. “Winning this G2 award is especially meaningful because it's based on genuine customer feedback. It validates our commitment to helping organizations make smarter decisions, align strategy with execution, and deliver impactful results.”

OnePlan provides organizations with a centralized platform for project data, unifying teams and information

in one place. Its real-world impact is reflected in customer reviews, with one G2 reviewer stating, "OnePlan gives us a single source of truth to capture and evaluate changing business needs."

This recognition aligns with OnePlan's unwavering focus on empowering customers to navigate

complex portfolios, enhance decision-making, and drive better business outcomes.
