can address the unique health and wellness needs of both men and women," Ms. Walker said.

The internationally recognized digital magazine began as a one-page idea during the 2009 global financial meltdown and was nurtured by Ms. Walker's unwavering commitment to journalistic ideals. That single idea, along with Ms. Walker's determination

to deliver engaging and interesting content has helped the magazine continue to grow and develop. Across the nine sections and 44 subsections, Haute-Lifestyle.com also brings readers an international cosmopolitan beat with coverage in crime, science, technology, lifestyle, fashion, entertainment, movie reviews, travel, leisure, arts, book reviews, theater, music, sports, and the world's geopolitical scene.

Haute-Lifestyle.com is read weekly worldwide and is the first online magazine to be operated by Ms. Walker. She has also created The-Entertainment-Zone.com, currently introduced through a social media awareness campaign. You can access the digital by clicking this link:
