Dr. Sunshine

Through her work, Dr. Sunshine helps families navigate the difficult decision of saying goodbye to their cherished companions with kindness and understanding. Her loving and gentle approach has touched the lives of many in the Honolulu community.

"From the minute I made the call to [Lap of Love](#), the kindness and empathy that was shown was very comforting. I knew right away I had called the right place. Then, once we met Dr. Sunshine, I couldn't believe how thoughtful and understanding she was..." said the Tejada family. "She made sure we knew what to expect. She was very clear on the process and went out of her way to ensure our dogs were ready and would not feel any pain at all. She truly made an awful experience a special one for our family by showing love and empathy not only for our dogs, but

for us. We are forever grateful to her and have already recommended her to others.”

Lap of Love continues to offer the following services in Honolulu:

**Telehospice:** Telehospice services provide general guidance for concerned pet parents. A Lap of Love veterinarian will meet with you via Zoom or phone to assess your pet’s quality of life and make suggestions to make it more comfortable.
