

# New Jersey Collaborative Divorce Attorney Featured On The Respectful Divorce Podcast

*During Divorce With Respect Week® Collaborative Divorce professionals in New Jersey are offering virtual 30 minute divorce consultations for free.*

NJ, UNITED STATES, March 4, 2025 /EINPresswire.com/ -- Collaborative Divorce Attorney Heather Keith was a featured guest on The Respectful Divorce podcast discussing the upcoming Divorce With Respect Week® initiative. The Respectful Divorce Podcast is hosted by Tim Crouch and discusses options for divorce with professionals including no court options that are available to divorcing couples.

"I got into family law because of my own trauma and I wanted to help others heal through that in a peaceful manner," said Keith. "When collaborative divorce started coming up as an option I was amazed because with litigation I only saw destruction, I did not see compassion or empathy. You tear apart a family with litigation and I knew there had to be a better way."

During Divorce With Respect Week® Collaborative Divorce professionals in New Jersey including Heather Keith are offering virtual 30 minute divorce consultations for free. Divorce With Respect Week is March 3 through 9. To book a free consultation with a divorce attorney, divorce financial professional, divorce coach or mental health professional visit [www.divorcewithrespectweek.com](http://www.divorcewithrespectweek.com) where you will find a list of participating professionals.

"One thing we can do as attorneys in this field is bring our humanity and compassion to an area of law that touches on so many aspects of what it means to be human beings," said Keith. "It's very important that we share about peaceful divorce options because the decisions that we make really bear on children and they are the next generation."
