

# John Tucker, Sales Leader from National Secure Transport, Speaking at NECANN Boston

*The industry will learn valuable insights from John Tucker regarding payment issues for dispensaries at the upcoming event on March 21st.*

PHILADELPHIA, PA, UNITED STATES, March 4, 2025 /EINPresswire.com/ -- John Tucker, a seasoned expert in the payments and fintech industry with over 18 years of experience, currently with [National Secure Transport](#) (NST), is scheduled to speak at the upcoming New England Cannabis Convention (NECANN) in Boston, taking place on March 20-21, 2025. John's speaking engagement will be on Saturday, March 21st at 2:00 p.m. in Room 204.

Tucker will address the critical payment challenges faced by dispensaries, focusing on secure cash management and innovative payment solutions tailored for high-risk industries like cannabis.

Drawing from his extensive background, Tucker will delve into the logistics of transporting and managing large sums of cash efficiently. He will highlight the importance of advanced technologies such as smart safes and recyclers, which streamline cash handling and reduce theft risks. He will also focus on the challenges around cashless payment solutions including the nationwide shutdowns, and the recent \$950,000 lawsuit against Trulieve for utilizing said solutions.

As the cannabis industry continues to expand, Tucker aims to provide dispensary owners and stakeholders with strategies to navigate regulatory complexities, ensuring both safety and compliance.

John Tucker brings over 18 years of experience in the Fintech industry, specializing in Payments, Lending, and Banking.

NECANN Boston 2025 is set to be a pivotal event for cannabis professionals, offering a platform for education, networking, and collaboration. Attendees can look forward to gaining valuable insights from industry leaders like John Tucker, enhancing their understanding of effective cash management practices in the evolving cannabis market.

For a deeper insight into John Tucker's expertise and perspectives on cash management within the cannabis industry, you can watch the following interview:
