“

Charlotte Melén’s pioneering work in immersive audio storytelling, especially the use of binaural and ambisonic microphones on location, has redefined the possibilities of the medium”
Rose Anderson, EVP, Executive Director, New York Festivals Radio Awards

“Charlotte Melén’s pioneering work in immersive audio storytelling, especially the use of binaural and ambisonic microphones on location, has redefined the possibilities of the medium. Her team combines the highest production standards with a filmic sensibility to the delight of creators, brands, and listeners.” —Rose Anderson, EVP & Executive Director, New York Festivals Radio Awards

“I am honoured to be invited by the New York Festivals Radio Awards to join their Advisory Board. Having been both a judge and a participant in the awards, I know the standards of entry, and that the bar for winning a trophy is

high. It's a pleasure and a privilege to be part of a platform that celebrates creative excellence in audio.”—Charlotte Melén, Producer and Founder, Almost Tangible

Charlotte is an award-winning writer, Producer, and the Founder of Almost Tangible, a company known for its innovative and cinematic approach to audio storytelling. The London-based

production company delivers immersive audio experiences that transport listeners to the heart of each story, breaking new ground in the world of audio production.

NEWYORKFESTIVALS®
RADIOAWARDS

Since its founding in 2018, Almost Tangible has quickly gained recognition on an international scale, receiving over 40 prestigious audio awards. These accolades include honors from the UK ARIAS, BBC Audio Drama Awards, the Audio Production Awards, and the New York Festivals Radio Awards. The company has also been named Production Company of the Year at both the NYF Radio Awards in both 2019 and 2024, as well as at the UK Audio Production Awards in 2024. The BBC Audio Drama Awards have praised Charlotte's work as "fearless, experimental, and taking audio to new levels of excellence."

In 2024, in addition to being honored with the Production Company of the Year, the NYF Radio Awards recognized the award-winning boutique production company for its exceptional immersive audio content. Their acclaimed adaptation of Shakespeare's Hamlet Noir earned the prestigious NYF Grand Award, along with four Gold NYF Towers.

Charlotte's impressive career also spans technology management consulting. She is currently the Chair of the Kristin Linklater Voice Foundation in Orkney, Scotland, where she works to safeguard and promote the legacy of the renowned voice teacher Kristin Linklater. She is a graduate of Emerson College.

As a member of the Radio Awards Advisory Board, Charlotte brings her expertise and visionary approach to advancing the standards of the NYF Radio Awards. Her unique perspective on audio storytelling promises to foster innovation and celebrate the evolving landscape of the audio industry.

Each year, New York Festivals Radio Awards provides a showcase to celebrate world-class storytellers from around the globe. NYF's Radio Awards honors creative innovation and excellence in broadcast and audio content across all genres and platforms.

The Radio Awards 2024 winners were celebrated in a virtual ceremony on April 16th. The ceremony included global audio highlights, award winners' acceptance speeches from around the world, and up-close and personal spotlights featuring some of radio's most respected storytellers.
