“

I am dedicated to teaching kids the importance of good oral hygiene in ways that are engaging and easy to understand, empowering them to develop lifelong healthy habits.”

Dr. Michael Holmberg

Dr. Michael Holmberg, the founder of Kid's Smiles Colorado, earned his dental degree from the University of Colorado and has years of experience working with children. “I am dedicated to teaching kids the importance of good oral hygiene in ways that are engaging and easy to understand, empowering them to develop lifelong healthy habits,” said Dr. Michael. “During their first visit, we will clean, take x-rays, and examine, with fluoride treatment if desired. We explain our recommendations and value parents' involvement in their child's oral health.”

Kid's Smiles Colorado offers a wide range of dental services, including routine cleanings and preventive care, fillings and sealants, tooth extractions, orthodontics, and emergency dental care. The office also offers specialized services for infants and toddlers.
