

Leonardo C. Gannio Unveils 'MOBILITY 3.0' – A Game-Changer for the Future of Passenger Transportation

TX, UNITED STATES, March 5, 2025 /EINPresswire.com/ -- Visionary entrepreneur and mobility expert Leonardo C. Gannio is set to release his latest book, [MOBILITY 3.0: How to Win and Thrive in the Future of Passenger Transportation](#), an essential guide to the evolving transportation landscape.

With a wealth of experience spanning technology, business, and innovation, Gannio explores how electric and autonomous vehicles, Mobility-as-a-Service (MaaS), and integrated transit systems are reshaping the industry. Drawing from his extensive leadership background—founding industry-leading ventures like AKTIO Group and MAGIIS—he presents a compelling roadmap for transportation providers, entrepreneurs, and policymakers navigating this transformation.

MOBILITY 3.0 offers practical strategies for adapting to market shifts, forging strategic partnerships, and leveraging cutting-edge technology to stay ahead. Beyond industry trends, Gannio highlights the human element of mobility, advocating for inclusive, user-centric solutions that ensure equitable access and seamless experiences for all.

With cities worldwide facing increasing urbanization, sustainability challenges, and shifting consumer demands, MOBILITY 3.0 is a must-read for those ready to embrace the future of transportation. Packed with insights, real-world examples, and actionable advice, this book empowers readers to lead in an era of unprecedented change.

[About the Author: Leonardo C. Gannio](#) is an Industrial Engineer with a postgraduate degree from IAE and executive studies at Stanford University. A seasoned entrepreneur, he has successfully led global ventures, driving innovation in technology and mobility. His latest venture, MAGIIS, redefines urban mobility with an advanced digital platform.
