VANCOUVER, BRITISH COLUMBIA, CANADA, March 9, 2025 /EINPresswire.com/ -- The London Bookfair (LBF) 2025, one of the most influential publishing events in the world, will take place from March 11-13 at Olympia London. [Explora Books](#), a leading marketing and publishing firm, will be present at Stand 3E38, offering a special showcase of [Elliott Gilbert's](#) beautifully illustrated children's book, '[Max Goes Hunting](#).'

A delightful story for young readers, 'Max Goes Hunting' follows the journey of Max Marten, a curious three-week-old marten learning to discover the wonders of the forest. As his parents introduce him to the art of hunting, Max encounters a dilemma—his natural instincts clashes with his kindness when he finds a frightened sparrow and a tiny rabbit. Instead of hunting, he discovers an alternative path, feasting on delicious fallen fruits and embracing the diversity of nature's offerings. Through Max's adventure, young readers learn valuable lessons about empathy, self-discovery, and making choices that align with their values.
