

Launch of Nova Lux DR Properties Enhances Well-being Through Luxury Homeownership in the Dominican Republic

Nova Lux DR Properties officially launches with a mission to simplify luxury homeownership in the Dominican Republic.

NEW YORK, NY, UNITED STATES, March 6, 2025

[/EINPresswire.com/](#) -- [Nova Lux DR Properties](#) officially launches with a mission to simplify luxury homeownership in the Dominican Republic. Founded by leading healthcare innovator turned real estate expert, Kathy Colon, the company provides tailored guidance for individuals and families looking to invest in high-quality properties, whether as vacation homes or long-term investments.

Colon understands that quality housing directly impacts overall well-being and understands how the environment influences physical and mental health. This insight drives her approach to offering homes that promote a balanced, healthy lifestyle.

"Nova Lux DR Properties was born out of that desire to merge my passion for business, health and wellness and the Dominican Republic, providing a holistic approach to luxury real estate," said Kathy Colon, Founder & CEO of Nova Lux DR Properties. "I started this company after facing the same challenges myself. Now, my goal is to create a seamless, stress-free process for others who want to own a piece of paradise."

Housing as a Public Health Issue: Designing Homes for Emotional Well-being and Comfort

The intersection of housing and public health is central to Nova Lux DR Properties' mission. The company incorporates features that support physical and mental health, including well-ventilated spaces, access to nature, and designs that promote relaxation and movement.

Founded by leading healthcare innovator turned real estate expert, Kathy Colon, Nova Lux DR Properties provides tailored guidance for individuals and families looking to invest in high-quality properties, whether as vacation homes or long-term investments.

Colon applies her healthcare background to the selection and design of properties that foster peace of mind and stability. Nova Lux homes integrate stress-reducing layouts, quiet areas for reflection, and feng shui principles to create an atmosphere of balance and harmony.

As the population ages, Nova Lux DR Properties prioritizes homes that support aging in place. The company incorporates universal design features, mobility-friendly layouts, and proximity to healthcare facilities to ensure long-term comfort and independence.

Services Offered:

Nova Lux DR Properties' mission is to incorporate features that support physical and mental health, including well-ventilated spaces, access to nature, and designs that promote relaxation and movement.

“

Nova Lux DR Properties was born out of that desire to merge my passion for business, health and wellness and the Dominican Republic, providing a holistic approach to luxury real estate.”
