These gripping stories follow best friends Leira, Addy, and Skye—also known as the LAS trio—on unforgettable journeys filled with suspense, danger, and heartwarming camaraderie.

In “An Adventure in Arizona,” Leira and her friends embark on a winter vacation that quickly turns into a perilous expedition. Invited to Arizona by Leira’s mother, the trio looks forward to exploring new landscapes and experiencing first-time thrills—flying on a plane, staying in a hotel, and camping in the mountains with Leira’s cousin, Luke, an Eagle Scout. But their adventure takes an ominous turn when mysterious events and a tragic accident place them in mortal danger. As they navigate Indian lore, wild animals, and eerie occurrences, their courage and friendship are put to the ultimate test.

Strange and terrifying messages begin to appear—messages that may be coming from beyond the grave. Determined to unravel the mystery, the LAS trio faces one of their most fearsome adventures yet, seeking help from unexpected allies. But as the danger intensifies, they realize they might be in over their heads—especially when they learn that someone has already lost their life.

Donna Wren Carson masterfully crafts page-turning suspense and relatable characters that resonate with young readers. Born and raised in Enfield, CT, Carson’s love of reading inspired her to create captivating mystery novels for children and teens.
