

# Rhythm Systems Unveils Rhythm Intelligence™: AI-Powered Strategic Execution

*AI-Powered Rhythm Platform Enhances Strategic Planning and Execution for High-Performing Teams. Now Faster. Smarter. Easier.*

CHARLOTTE, NC, UNITED STATES, March 13, 2025 /EINPresswire.com/ -- [Rhythm Systems](#), the leader in strategy execution methodology, coaching, and software, is revolutionizing the way businesses achieve their goals with the launch of [Rhythm Intelligence™](#) (RI). For over two decades, Rhythm Systems has empowered high-growth companies to execute their strategic plans with precision.

Rhythm Intelligence levels the playing field by giving these teams the tools they need to execute faster, stay focused, and achieve their biggest goals.”

*Amy Ankrum, CEO of Rhythm Systems*

Rhythm Intelligence (RI) seamlessly integrates OpenAI with Rhythm Systems’ proven methodology, learnings from 40,000 successfully executed plans and 486,000 goals, real-world insights, market research, and a company’s

performance data. RI delivers advanced features that help users execute their strategy with precision, speed, and insight perhaps never before considered.

Key features include:

- \* Create Instant Execution Plans – Our Plan Builder generates comprehensive annual and quarterly strategic plans in a few seconds, not days or weeks
- \* Build Smarter SMART Goals – Develop clear, actionable goals with built-in success criteria to ensure alignment and progress
- \* Receive Answers on Demand – Gain immediate insights from “Patrick,” Rhythm Systems’ AI-super powered assistant and strategic execution expert, eliminating the need for external research or delays

“Mid-market businesses are the backbone of innovation and growth, but they often don’t have the same resources as larger enterprises,” said [Amy Ankrum](#), CEO of Rhythm Systems. “Rhythm Intelligence levels the playing field by giving these teams the tools they need to execute faster, stay focused, and achieve their biggest goals. I’m incredibly excited about the impact this will have—helping leaders turn their vision into reality with more clarity and confidence than ever before.”

Rhythm Intelligence™ is now available to help businesses simplify execution and accelerate growth. To learn more, visit <https://www.rhythmsystems.com/software/rhythm>.

### About Rhythm Systems

Rhythm Systems has transformed the way mid-market companies work for nearly two decades. We have built a complete system – methodology, software, and coaching - to help CEOs build better team alignment, focus, and accountability so they can reach their goals faster. We turn your strategic growth plans into annual, quarterly, and weekly dashboards so your teams are always aligned and on-track. Our suite of products comes with change management experts who not only help your teams adopt the software but also learn the proven skills that keep them accountable to the company goals week over week.
