

# Tarzana Treatment Centers Launches New Learning Portal for Continuing Education and Healthcare Professionals

*Empowering Professionals with Flexible, High-Quality Training to Advance Careers in Behavioral Health Services at an Affordable Cost*

LOS ANGELES, CA, UNITED STATES, March 7, 2025 /EINPresswire.com/ -- [Tarzana Treatment Centers \(TTC\)](#), a leader in integrated healthcare services for over 50 years, is proud to announce the launch of its new Online Learning Portal. Welcome to an innovative platform that provides affordable, flexible, and accessible [continuing education](#) (CE) courses for healthcare and counseling professionals. The portal offers a wide range of Continuing Education Unit (CEU) courses tailored to meet the needs of professionals seeking to enhance their skills, fulfill certification requirements, and advance their careers.

The [TTC Learning Portal](#) brings decades of expertise in mental health treatment, substance use disorder recovery, and healthcare services to a broader audience. With a mission to empower professionals through high-quality, relevant training, the portal ensures that users can complete courses at their own pace, making it an ideal resource for busy professionals.

The TTC Learning Portal offers a variety of low-cost, accredited courses designed for:

Licensed Marriage and Family Therapists (LMFTs)

Licensed Clinical Social Workers (LCSWs)

Medi-Cal Certified Peer Support Specialists

Nurses and Nursing Assistants

Substance Use and Mental Health  
Counselors

Case Managers and Patient Navigators

Health Educators

Other Healthcare Professionals

Flexible Learning for Career  
Advancement

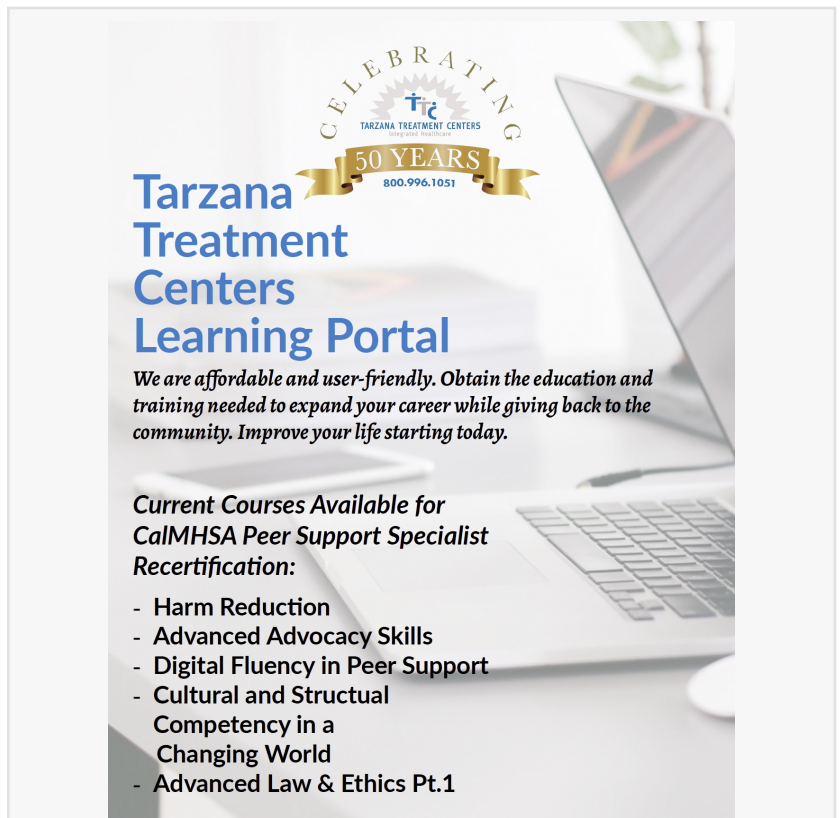

The TTC Learning Portal is designed to help professionals meet training and CE requirements as outlined by their certifying bodies, including CalMHSA. Each course is tailored to enhance professional skills and empower students to achieve their career goals. Upon successful completion, participants receive a Certificate of Completion, recognizing their commitment to ongoing learning and development.

Easy Enrollment and Access

Enrolling in courses is simple and convenient. Professionals can purchase individual courses or take advantage of discounted bundle options directly through the TTC Learning Portal website. Once enrolled, users can access their courses, track progress, and download CEU certificates from the comfort of their home or office upon completion.

A Legacy of Excellence in Healthcare Education

Tarzana Treatment Centers has provided greater Los Angeles County with integrated healthcare services for over five decades. The launch of the TTC Learning Portal extends this mission by making valuable staff training and educational resources available to a broader audience in
