

Survival, Secrets, and the Stars: Steve Lang's 'In the Company of Wolves' Trilogy Launches a Thrilling Sci-Fi Adventure

CHARLOTTE, NC, UNITED STATES, April 8, 2025

/EINPresswire.com/ -- Prepare for an electrifying journey beyond the stars with the release of *In the Company of Wolves*, a high-octane sci-fi adventure by Air Force veteran and author Steve Lang. Combining military intrigue, extraterrestrial discovery, and a hauntingly dystopian future, this trilogy immerses readers in a world where survival, mystery, and the unknown collide.

“

The idea for this trilogy began as a legacy I wanted to leave for my son. These stories are my way of reaching out to future generations, hoping that we can avoid repeating the mistakes of the past.”

Author, Steve Lang

The *In the Company of Wolves* trilogy follows Derrick “Mac” MacDonald, a man seeking peace on a remote cattle ranch, only to be pulled back into a world of dark secrets and extraterrestrial mysteries when Earth faces a cataclysmic environmental collapse. As Mac confronts a shadowy past and navigates dangerous landscapes, he discovers ancient alien races that hold the key to humanity’s survival. With high-stakes drama, relentless action, and deeply complex characters, Lang has crafted a gripping series that will keep readers on the edge of their seats.

Book 1: *In the Company of Wolves*

In a world teetering on the edge of collapse, Derrick “Mac” MacDonald thought he had left his shadowy past behind. But when a relentless storm, a haunting nightmare, and an unexpected visitor collide, Mac is thrust back into a realm of secrets, sacrifice, and impossible choices. As Earth faces an impending cataclysm, Mac is tasked with saving humanity—but his journey will take him far beyond the stars. Will he face the wolves within and beyond, or will the weight of his past tear him apart?

Book 2: *Brothers in Arms*

The second installment, *In the Company of Wolves: Brothers in Arms*, sees Mac transformed into a wolverine warrior as he and his allies venture across the perilous Death Sea. With a stolen cosmic portal and a dying planet at stake, their quest for ancient secrets is fraught with magic, relentless enemies, and betrayal. Mac teams up with fierce warriors Dante and Ramos, and together they battle dark forces, sea monsters, and an ancient plague. Will they restore balance—or perish in

the attempt?

Book 3: Anathema

In the thrilling conclusion, *In the Company of Wolves: Anathema*, Mac and his companions confront a post-apocalyptic Earth where myth and reality collide. Battling monstrous creatures and unraveling ancient secrets, they must reclaim humanity's future in a world where survival seems impossible. With humanity's fate hanging by a thread, alliances are forged, and enemies emerge from the shadows of history. Can they uncover the truth and rebuild a future worth fighting for?

A World of Complex Characters and High-Stakes Adventure

With elements of mythic heroes, lost civilizations, and dangerous secrets, *In the Company of Wolves* is an unforgettable epic. Lang's writing seamlessly blends military drama with breathtaking sci-fi action, creating a universe where survival depends on understanding the past—and confronting the darkness within. Through this trilogy, Lang explores timely themes such as environmental collapse, the consequences of violence, and the resilience required to protect what matters most.

About Steve Lang

Steve Lang is an Air Force veteran and storyteller whose passion for blending real-world science with the fantastical shines through in his writing. With a background as a C-130 engine mechanic, Lang brings his military experience to life in the *In the Company of Wolves* trilogy. His personal connection to themes of survival, sacrifice, and redemption resonates throughout the series. As a true storyteller at heart, Lang continues to create captivating worlds filled with adventure, danger, and mystery. "The idea for this trilogy began as a legacy I wanted to leave for my son," Lang reflects. "These stories are my way of reaching out to future generations, hoping that we can avoid repeating the mistakes of the past."
