

Path Infotech Set to Showcase 23ai & Oracle Multicloud Capabilities at Oracle CloudWorld Tour Singapore

As a key sponsor, Path is excited to demonstrate AI live in action with the NLP capabilities of Oracle Database 23ai on Oracle EBS.

SINGAPORE, March 8, 2025

/EINPresswire.com/ -- Path, a leading Oracle Partner and a member of Oracle PartnerNetwork (OPN) is a key sponsor at the Oracle CloudWorld Tour Singapore 2025 on March 13, 2025, at Shangri-La Singapore.

[Oracle CloudWorld \(OCW\)](#) is a premier cloud technology event and one of the most significant tech events in the world, bringing together industry leaders, technology experts, and innovators. The OCW Tour Singapore will see customers, partners, and technology enthusiasts engage and network over the latest advancements in Oracle Cloud, AI, automation, infrastructure, applications, databases, and developer initiatives.

Path is all geared to demonstrate at its Booth S7, how enterprises can integrate AI into their data strategies using Oracle 23ai, Autonomous Database, Oracle Multicloud, and Gen AI services.

Live 23ai Demo to Showcase Business Transformation

In today's complex multi-cloud landscape, data silos, governance complexities, and slow decision-making hinder business agility. Path's participation at the event will focus on how organizations can optimize enterprise data management using Oracle Gen AI services to achieve

The graphic is a promotional poster for the Oracle CloudWorld Tour Singapore 2025. It features a blue-toned image of hands typing on a laptop with various data visualization icons (charts, graphs, and code snippets) overlaid. In the top right corner, there is a red square with the word 'path' in white lowercase letters. The main headline reads 'Bring AI in Your Data Strategy' in a large, bold, blue font. Below this, it says 'Meet us at Booth S7' in a smaller blue font, with 'Booth S7' in a larger, bold, red font. The event name 'ORACLE CloudWorld Tour' is displayed in a large, blue font, with 'ORACLE' in a smaller, red font above 'CloudWorld Tour'. A red circular badge with the word 'SPONSOR' in white uppercase letters is positioned to the right of the event name. Below the event name, the date 'March 13, 2025' and location 'Shangri-La Singapore' are listed, each preceded by a small red icon (a calendar for the date and a location pin for the venue). In the bottom right corner, the Oracle logo is shown next to the word 'Partner' in a blue font. At the bottom of the graphic, a white banner contains the text: 'Path is sponsor at OCWT Singapore. It is helping businesses bring AI in their data strategy'.

Path is sponsor at OCWT Singapore. It is helping businesses bring AI in their data strategy

greater agility, efficiency, and growth. With over 30+ years of Oracle technology expertise, Path brings deep domain knowledge and innovative solutions that drive extraordinary business outcomes.

One of the key highlights at their booth will be the live use cases that leverage the NLP capabilities of Oracle Database 23ai on Oracle E-Business Suite (EBS) and custom applications.

Key features include:

- AI-powered chat to extract key insights from books of business - finance, HR, supply chain, etc.
- Natural Language Query (NLQ) for easier interaction.
- Contextual/conversational interaction to get structured output from Oracle e-Business Suite.

Attendees will have the opportunity to experience firsthand AI-powered automation and learn how Path is helping enterprises modernize data management, enhance multi-cloud strategies, and accelerate digital transformation.

Event Details:

Date: March 13, 2025

Location: Shangri-La Singapore
