

# Turkish Dried Apricots from Malatya City: The World's Apricot Capital

*Malatya city holds the title of "World's Apricot Capital" due to its dominant role in Turkish dried apricot cultivation and drying.*

MALATYA, BATTALGAZI , TURKEY, March 9, 2025 /EINPresswire.com/ -- [Malatya City](#), Turkey - Known as the "World's Apricot Capital," Malatya City in Turkey is renowned for its production of high-quality [dried apricots](#). These delicious and nutritious fruits are a staple in Turkish cuisine and are now gaining popularity worldwide. With its ideal climate and rich soil, Malatya City has become the top producer of dried apricots, making it a must-visit destination for food enthusiasts and travelers alike.

[Turkish dried apricots](#) are a beloved

delicacy in many cultures, and Malatya City is at the heart of its production. The city's unique climate, with hot summers and cold winters, creates the perfect conditions for apricot trees to thrive. The fertile soil, combined with traditional farming methods passed down through generations, results in apricots with a distinct flavor and texture that cannot be replicated elsewhere.
