Celebrates Women's History Month with Free Skin and Body Analysis

NEW YORK, NY, UNITED STATES, March 10, 2025 /EINPresswire.com/ -- In celebration of Women's History Month, Skin Longevity Clinic/ Skin30.co is proud to offer complimentary facial skin and body analysis to the first 50 women who schedule an appointment at the Skin Longevity Clinic office, located at 30 East 40th Street, between Madison and Park Avenue, New York City. This exclusive offer is available on a first-call, first-served basis throughout the month of March.

As a leader in [longevity and aesthetic medicine](#), Skin Longevity Clinic/ Skin30.co is committed to helping women achieve healthy, radiant skin and optimal well-being. This special initiative aims to empower women with knowledge about their skin health and body composition, providing them with expert guidance and personalized recommendations to enhance their natural beauty and longevity.

"Women's History Month is a time to honor the contributions of women past and present, and what better way to celebrate than by investing in self-care and longevity," said Dr. Marie-Ange D. Tardieu, Founder and medical director of Skin Longevity Clinic. "We believe that healthy skin and body wellness are essential components of a long, vibrant life, and we are excited to offer this free service to support women in their journey to optimal health."

The complimentary analysis includes:

- Advanced Facial Skin Assessment – A detailed evaluation of skin tone, texture, hydration, and
