Process Server

As a company licensed to operate in multiple states, including California, Washington, Texas, and Colorado, Peralta Associates and Defense offers unmatched convenience and reliability. Our extensive reach allows clients to streamline their needs by working with one trusted investigative company that can handle service of process across these states seamlessly.

Why Choose Peralta Associates and Defense for Process Server Services?

Statewide Coverage: From Northern to Southern California, we provide reliable service of process anywhere in the state, ensuring legal requirements are met without delay.

Speed and Efficiency: With our extensive network and resources, we can serve documents in a relatively short amount of time, minimizing the wait for our clients.

Multi-State Operations: Our licensing in Washington, Texas, and Colorado makes us the ideal partner for businesses and legal professionals with multi-state needs.

Professionalism and Accuracy: As a trusted investigative company, we pride ourselves on maintaining the highest standards of professionalism and accuracy in every service we provide. "At Peralta Associates and Defense, we understand the importance of timely and accurate service of process. Our clients can rely on us to handle their needs with the utmost professionalism, whether it's in California or beyond," said Paul Hastings LLP.

In addition to process serving, Peralta Associates and Defense offers a wide range of investigative and security services, including background checks, [surveillance](#), and risk assessments. This comprehensive suite of services makes us a one-stop solution for businesses, legal professionals, and individuals alike.

With offices strategically located in California, Washington, Texas, and Colorado, and plans for further expansion, Peralta Associates and Defense continues to set the standard for investigative and security services nationwide.
