

Jesus Chrysler Supercar Gets Fans Two-Steppin' With 'Two Sticks²'

Two Sticks² Is A Countryfied, Two-Step, Crawfish Boil In Your Ears

PHOENIX, AZ, UNITED STATES, March 10, 2025 /EINPresswire.com/ -- Following their explosive return last fall, [Jesus Chrysler Supercar](#) firmly re-established themselves as a leading voice in the alternative rock genre, garnering over 1 million audio and video streams. Their breakout single, Two Sticks (Dynamite), captivated global audiences, connecting the band with a new generation of rock fans.

Now, Jesus Chrysler Supercar is back with a fresh, reimagined version of that hit single: [Two Sticks²](#). Mixed by legendary producer Ralph Patlan (Megadeth, KISS, The Call), Two Sticks² is a "countryfied, two-step, crawfish boil in your ears," says guitarist Mr. Fantastical.

With its vibrant, gritty energy, Two Sticks² tells a "love story" — a snapshot of the unforgettable moment in the tale of Bonnie and Clyde. "Like many dysfunctional relationships, arguments pop up at the worst time. In this case, smack dab in the middle of a bank robbery. Bonnie is feeling unappreciated and unloved. Clyde is trying to reassure her...she's his 'July Lightning Rod.' Hotter than a firecracker!" says singer Mitch Steele.
