

Anker Expands Its Compact Charging Lineup with Powerful Solutions for Life on the Move

Anker's latest travel-ready chargers and adapters deliver high-speed charging, smart design, and universal compatibility for travelers and every day users

BELLEVUE, WA, UNITED STATES, March 10, 2025 /EINPresswire.com/ -- [Anker Innovations](#), a global leader in charging technology and consumer electronics, recently introduced its latest lineup of cutting-edge power solutions designed for seamless charging and connectivity. These new products are for anyone who needs reliable, high-speed power on the go, from frequent travelers and remote workers to everyday users looking for smarter, more efficient charging solutions.

The latest releases include the

- Anker MagGo Wireless Charging Station (3-in-1 Dock Stand)
- Anker Nano USB-C to HDMI Cable with 140W Input
- Anker Nano Charger (45W) with USB-C Cable
- Anker Nano Travel Adapter (5-in-1, 20W)

Anker MagGo Wireless Charging Station (3-in-1 Dock Stand): The Ultimate Apple Charging Hub
The Anker MagGo Wireless Charging Station is a sleek, compact 3-in-1 charger designed for Apple users who want an efficient, clutter-free charging experience.

- **15W Ultra-Fast MagSafe Charging:** Delivers robust and reliable wireless charging with Qi2 certification, ensuring a seamless experience for iPhones, Apple Watches, and AirPods.
- **Set Your Preferred Angle:** Adjust vertically up to 45 degrees to find your optimal charging view and enjoy StandBy mode in landscape orientation.
- **Compact & Stylish:** The space-saving form factor makes it an elegant addition to any desk or

nightstand.

- Certified Fast Charging for Apple Watch: Boasts official certification, enabling you to power your Apple Watch Series 10 from 0 to 100% in just 1 hour and 13 minutes.

Anker Nano USB-C to HDMI Cable with 140W Input Port (3ft/6 ft, 4K, Upcycled-Braided): High-Speed Power & Ultra-HD Display in One Cable

The Anker Nano USB-C to HDMI Cable offers 4K@60Hz ultra-clear visuals and high-speed charging, offering an all-in-one solution for work and entertainment. Available in 3 feet and 6 feet lengths, the cable is ideal for professionals, gamers, and content creators.

- 4K@60Hz Display Support: Ensures seamless, high-definition visuals for monitors, projectors, and TVs with Thunderbolt 3/4/5 compatibility.
- Rapid Charging: Power and display with a single cable, eliminating desk clutter.
- Durable & Flexible Design: Crafted with upcycled braided material and an innovative coaxial structure for smooth usability.

Anker Nano Charger (45W) with USB-C Cable: Ultra-Compact & Travel-Ready
Anker's latest Nano Charger (45W) offers powerful, efficient charging in a portable form factor. It is available in multiple colors, including black, white, green, and purple, and additional colors will launch soon.

- PowerIQ 3.0 & PPS Support: Ensures optimized fast charging for Samsung Super Fast Charging 2.0 and a wide range of devices.

Anker Nano Travel Adapter (5-in-1, 20W)

Anker Nano USB-C to HDMI Cable with 140W Input Port (3ft/6 ft, 4K, Upcycled-Braided)

- ActiveShield™ 3.0 Protection:
Conducts 6 million+ daily temperature checks to enhance safety.
- Foldable Plug & GaN Technology:
Compact and efficient for on-the-go power.
- Includes 6ft USB-C Cable (100W, 5A):
Designed for high-power charging.

Anker Nano Travel Adapter (5-in-1, 20W): The Perfect Global Charging Companion

For frequent travelers, the Anker Nano Travel Adapter provides seamless charging across multiple countries with its 5-in-1 charging capability.

- 1 AC outlet + 4 USB ports (2 USB-C, 2 USB-A) for multi-device charging.
- Universal Plug Support: Compatible with UK, US, EU (select countries), and CN sockets.
- Advanced Safety Features: Fuse protection and multi-layer temperature control ensure safe operation.
- Ultra-Compact Design: Slim and lightweight, making it an essential travel accessory.
