

# Stars, Supermodels, and Rescued Pups Take Over the Runway Today at the Annual Rescue Dogs Rock Charity Fashion Event

NEW YORK, NY, UNITED STATES, March 10, 2025 /EINPresswire.com/ -- The iconic Victorian mansion Ideal Glass Studios (9 W 8th St, New York, NY 10011) is hosting one of the most heartwarming and star-studded fashion events of the year today—the Rescue Dogs Rock Annual Charity Fashion Show. This extraordinary evening will feature 30 high-profile personalities from CNBC, NFLX, Miss USA, top supermodels, and leading designers walking the runway hand-in-paw with dogs rescued from abuse and neglect by Rescue Dogs Rock (RDR).

RDR, an organization committed to saving critically injured and abandoned dogs, has rescued over 9,700 dogs and spent more than \$15 million on their care. Their impact was recently recognized with their rescues featured in this year's Puppy Bowl.

This year's event promises an unforgettable visual spectacle. Models will don Parisian lingerie, and the dogs will sport their own luxurious couture, proving that rescue pups can shine just as brightly as their human counterparts. Attendees will receive LED dog ears and glow sticks in their gift bags, ensuring the celebration continues with a high-energy dance party after the runway show.

Adding to the evening's uniqueness, dancers from the Martha Graham Dance Company will perform alongside pups dressed in elegant tutus. A celebrity artist will create live sketches of the event, and DJ Reach will set the mood with an electrifying soundtrack. One of the most eye-catching moments will feature celebrity bodyguard "The Fancy Giant" (7'1, 490 lbs) walking with a 2.5 lb rescue pup, showcasing the ultimate contrast in heartwarming fashion.

SPOT the mobile robot dog from Boston Dynamics will star on the runway. Lending his incredible talents to promote animal rescue.
