

Acclaimed Eye Surgeon Dr. James Kelly Welcomes Award-Winning Ophthalmologist Dr. Ashley Brissette to Kelly Vision

NEW YORK , NY, UNITED STATES, March 10, 2025 /EINPresswire.com/ -- Today [Dr. James Kelly](#), Founder of [Kelly Vision](#), is proud to announce and welcome Ophthalmologist [Ashley Brissette](#) MD, MSC, FRCSC to Kelly Vision. With the unveiling of the new, cutting-edge Kelly Vision office and laser center on the Upper East Side, Dr. Ashley Brissette is the perfect addition in the practice's next chapter. She comes with an abundance of experience and knowledge that compliment what Dr. James Kelly has built, making the two a winning combination.

"We are excited to welcome Dr. Ashley Brissette to the Kelly Vision team," shares Dr. James Kelly. "I have always felt that there would come a point where I could extend my mentorship and take on a superb professional to support the expansion of the practice. With that, I am thrilled to introduce Dr.

Ashley Brissette. She is both passionate and forward thinking in approach. Her expertise in cataract surgery, vision correction surgery, and dry eye disease undoubtedly make her a fantastic addition, as the practice sets new standards for vision care."

On top of being an exceptional eye surgeon, Dr. Brissette brings a new angle with dry eye disease treatment expertise to the practice. With her subspecialty training in cataract, refractive and corneal diseases, there will also be a number of new offerings that Kelly Vision patients will now have access to. Dr. Brissette will introduce patients to in office procedures for the treatment of dry eye disease, ocular rosacea and more with options including Lipiflow, Intense Pulsed Light,

Dr. Ashley Brissette

and Radio Frequency. Beyond these treatments, she will be educating patients on the importance of eye safety at the intersection of skin care, through her brand Daily Practice by Dr. B, the first ophthalmologist-created skin care line for the eye area.

"I feel honored to be joining Dr. Kelly's team, as I have long admired him as an incredible force in the industry," says Dr. Ashley Brissette. "Dr. Kelly's commitment to excellence and his modern vision in advancing eye care align perfectly with my approach to medicine and patient care. My philosophy is customized care for all. I work closely with my patients to design a custom surgical plan that will fit their needs in order to give them the best vision possible."

Dr. James Kelly and Dr. Ashley Brissette

For some context on the new surgeon addition, Dr. Brissette has been voted as a One To Watch, a Top Female Leader in Ophthalmology and Top 40 Under 40 of Ophthalmologists across the country. She is also an official spokesperson for the American Academy of Ophthalmology.

Dr. Brissette is an industry disruptor and developed Daily Practice by Dr. B; a skin care line formulated for the eye area. These ophthalmologist-developed products help to nourish, protect, and rejuvenate the skin around your eyes, addressing concerns like puffiness, dark circles, and fine lines with precision. Every product was meticulously created with eye safety in mind, so one can enjoy the benefits of beautiful eyes without compromise. These products will be available for purchase at the office, offering patients the opportunity to take home an eye care routine that has been carefully curated by an expert they can trust.

Kelly Vision continues to serve as the leading ophthalmology practice in New York City and dedicated to providing the highest level of eye care, offering a range of advanced treatments designed to enhance vision and improve one's quality of life.
